Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Fangirl (Reprinted edition), Rainbow Rowell, Cath and Wren are identical twins, and until recently they did absolutely everything together. Now they're off to university and Wren's decided she doesn't want to be one half of a pair any more - she wants to dance, meet boys, go to parties and let loose. It's not so easy for Cath. She's horribly shy and has always buried herself in the fan fiction she writes, where she always knows exactly what to say and can write a romance far more intense than anything she's experienced in real life. Without Wren Cath is completely on her own and totally outside her comfort zone. She's got a surly room-mate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words .And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. Now Cath has to decide whether she's ready to open her heart to new people and new experiences, and she's realizing that there's more to learn about love than she ever thought possible .A love story about opening your heart by Rainbow Rowell, the New York Times bestselling author of ELEANOR & PARK - Fangirl now comes with special bonus material; the first chapter from Rainbow's brand new novel Carry On. Praise for Eleanor & Park: "Eleanor & Park reminded me not just what it's like to be young and in love with a girl, but also what it's like to be young and in love with a book."-John Green, The New York Times Book Review "This sexy, smart, tender romance thrums with punk rock and true love. Teen readers-not to...
