## TAKING A LEMONADE STAND (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Middle schooler Josh Lewis and his younger sister Mandy are looking forward to escaping the stuffy summer heat of Forest Hills, New York, and spending a month with their grandparents in rural Litchfield, Kentucky. Together they fill their hours with activities most city kids just dream about: riding bikes all around town, building a clubhouse in the Myers backyard and selling lemonade on the street corner. But when Josh and Mandy's parents experience a crisis back home in New York, the children develop a plan that turns one of these activities - the lemonade stand -- from innocent childhood fun into a symbol for...
