Brand New Book ***** Print on Demand *****.Black Child to Black Woman is a live diary experience that will grab your attention right from the start. Tara Walker speaks directly to the reader as she adds entry after entry into her Journal. She documents her experiences, her family life, her triumphs, as well as her interpretation of life and the world as she saw it. As she grows, so does the language and tone of the diary, which matches her maturity and speech patterns as the time passes. Experiences are mere images engraved in our minds that we recall when future events occur such as a tragedy or even when a song is playing on the radio. Tara has captured those moments in time in her diary, even the painful ones. Although she came from a loving home with both parents, she struggled to come to grips with siblings addicted to drugs, molestation, attempted rape, broken hearts, and so much more. Her diary experiences will make you laugh, cry, scream, sigh, and gasp aloud. As Tara struggles to keep her head above water and fight through the tribulations of her life, she continues to smile, continues to grow as a person, continues to be successful in her career, and continues to survive. Through it all and through her daughter, she eventually discovers the true meaning of unconditional love. Come discover life through the eyes of Tara as she grows from a black child to a black woman.
