Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 58 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Neckties and Bow Ties - A Practical Guide, by Mark Davids, 2014 Edition This book is a bundle of two of my books, each covering a different piece of mens fashion accessories: - Neckties - A Practical Guide - Get Ready for the Bow Tie Revolution! With Mark Davids indispensable guidebooks, you'll transform your thinking about neckties and bow ties while you transform your look. If you take these books and their instructions seriously, you'll be well on your way to being the most fashionable man in the room. The right necktie can turn a boring outfit into a stunner, and the use of a bow tie can add that bit of attitude to your wardrobe. Neckties: A Practical Guide Whether you missed out on learning how to tie a necktie from your dad or you've been wearing ties since before you could walk, you'll benefit from Neckties: A Practical Guide. It's so much more than just a manual for how to tie your necktie properly. Indeed, this guide does do that by showing you three different ways to tie your necktie, but to see this book as just a how-to guide misses the point. Imagine having a personal consultation with a necktie expert (someone versed in necktie history, textile production methodology, and mens style) giving you his expert advice. That gives you an approximation of what this book is for you, the reader. Get Ready for the Bow Tie Revolution While most men will wear a necktie at some point in their lives, even if it's reluctantly, not all men are ready to rock a bow tie. However, bow ties have been spotted more frequently on today's most fashionable men,...
