Elite Aviation Solutions, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Airline Transport Pilot and Aircraft Type Rating Practical Test Standards for Airplane is to be used by the pilot and examiner in conducting a ATP or Aircraft Type Rating checkride. Both the examiner and the pilot should completely understand the ATP PTS. This guide indicates exactly what should be evaluated during the checkride. Too often pilots are not familiar with evaluation requirements of the ATP PTS and this often can lead to a failure of the practical test. It is not a mystery what the FAA Examiner will evaluate during the practical test. It is all explained in the Airline Transport Pilot and Aircraft Type Rating Practical Test Standards for Airplane. Elite Aviation Solutions has reprinted the FAA Airline Transport Pilot and Aircraft Type Rating Practical Test Standards for Airplane for easy study by pilots. Taking time to review this book will not only help a pilot pass the practical test but will help the pilot understand their training requirements to be ready for the checkride.
