And it is the story of Beigh Masters, born in New England in the mid-twentieth century, an asset-hunter who stumbles on the scattered record of Hannah's life while tracking a legendary diamond. In Hannah, Beigh discovers a remote relative, and as she pieces together the details of Hannah's journeys, she begins to realize that their blood relation is only the most straightforward of the connections between them. In her belief that with sufficient passion and intelligence, we can deconstruct the barriers of time and geography, Beigh finds herself moving toward an almost unfathomably intimate grasp of Hannah's experience. And in turn, Hannah becomes a guide for...
