This arises from the extreme delicacy of the instrument to be repaired, the numerous and often for a time imperceptible contingencies that arise to mar or impede its operation, and the absence of sources of correct knowledge as to the best modes of overcoming these diversified contingencies. Various works have been published on the subject of Chronometry, in some of which, by the aid of diagrams, the peculiar structure of the different instruments employed in noting time, as Chronometer, Duplex, Lever, Horizontal and Cylinder Escapement Watches, have been accurately and scientifically explained. But while these works have been found...
