Learning Express Llc, United States, 2010. Paperback. Book Condition: New. 246 x 178 mm. Language: English . Brand New Book. The college admissions essay offers students their only opportunity to show colleges their unique voice. As a result, essays can make or break an application package. As competition for admission to top colleges continues to rise, the quality of application essays is becoming increasingly more important to admissions counselors. In fact, the essay portion of the college application is the best opportunity for students to differentiate themselves from other candidates and gain admission into their top choice school. As the emphasis shifts away from test scores and class rank to a more holistic approach to candidate assessment, admissions essays are more important than ever. LearningExpress has created an all-inclusive guide with interactive activities to help even the most tentative writer find a voice and create a top-notch piece. Write Your Way into College: College Admissions includes: Unique integration of the ability to write two full length essays online that are automatically graded using a commonly used admissions scoring rubric Quotes throughout from college admissions counselors telling readers what they actually look for when reading admissions essays 5 full-length sample essays...

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
