

Defence of Hill 781: An Allegory of Modern Mechanised Combat (Paperback)

Filesize: 4.8 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Presidio Press, United States, 1993. Paperback. Book Condition: New. New edition. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.At the turn of the century a small, humorous book on tactics was published. The Defense of Duffer s Drift quickly became a bestseller and today is still widely read. The Defense of Hill 781 is a modern version of this classic -- a tactical primer with ample funpoking, but with serious lessons to be learned.Lt. Col. A. Tack Always Finds himself in the California high desert, alone, disheveled, confused. A guide soon appears to inform him of his situation: he has died and is now in Purgatory (his humility in the Army was somewhat lacking) where he must atone for past sins. Purgatory is, aptly, the U.S. Army s National Training Center (NTC), and Lt. Col. Always may earn his way out by completing a successful mission. Through a series of six missions, the reader plans and fights with Lt. Col. Always, making the split-second decisions that determine victory or defeat, life or death.Through successive difficulties, some important lessons are burned into the commander s brain -- lessons about tactics, about people, about what it takes to fight a winning battle. Like Duffer s Drift this book is a valuable resource for all military tacticians. For the armchair general, it is a fascinating look at how the members of a military unit work together in combat.
