Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Science is a systematic presentation of truth. Theology is the most important of all sciences. It is the science that treats of God and of man in his relation to God. It is a systematic presentation of revealed truth. As the basis of Astronomy is the universe of worlds revealed by the telescope, and as the basis of Geology is the crust of the earth, so the basis of Theology is the Divine revelation found in the Holy Scriptures. The Theology of Entire Sanctification, therefore, is a systematic presentation of the doctrine of entire sanctification as derived from the written word of God. Such a presentation we hope-with the help of the Holy Spirit, which we here and now earnestly invoke-to attempt to give in this book. May God bless the endeavor, and overrule our human weakness, to the glory of His Name. Amen.
