Literary Licensing, LLC. Paperback. Book Condition: New. This item is printed on demand. Paperback. 402 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. After discussing the founding of mens, womens, and childrens patriotic societies, the author describes their organizational aspects: their size, qualifications for membership, officers, dues, ritual, badges, costumes, and the like. In hereditary groups, membership was deliberately limited, for exclusiveness was often their strongest appeal. The veterans groups, however, were usually anxious to be as large as possible so as to enhance their influence upon legislators. The appearance, beginning in the 1860s, of nearly seventy patriotic newspapers and magazines testifies to the rising popularity of these groups: prominent publications of the patriotic press included...
