The Anatomy of Pattern (Paperback)

By Lewis F Day

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Author s PREFACE: There was a time in my own struggling for artistic existence, when I should have been so grateful for any practical teaching in ornament, that I fancy there must be students who will find it helpful to have set plainly before them what I have had to puzzle out for myself. Hence this series of Text Books of Ornamental Design; in which I have amplified and illustrated the substance of a series of Cantor Lectures delivered in December last before the Society of Arts. I have assumed no great amount of technical or artistic knowledge on the part of the reader-only that he wants to know. And, elementary as my subject is, I have taken some pains to save him all unnecessary effort in following my meaning. The illustrations are to be taken literally as illustrations, and not by any means considered as ornamental addenda to the book. It is only as diagrams that they have any claim to insertion; although, as an ornamentist, I have naturally made the necessary diagrams as interesting as under...
