

## On the Trail of Homo Economicus: Essays by Gordon Tullock (Hardback)

Filesize: 3.58 MB

### ***Reviews***

*Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## ON THE TRAIL OF HOMO ECONOMICUS: ESSAYS BY GORDON TULLOCK (HARDBACK)

George Mason University Press, United States, 1994. Hardback. Book Condition: New. New.. 229 x 152 mm. Language: English . Brand New Book. This collection of previously unpublished expository writings by Gordon Tullock on themes ranging from game theory, externalities, public choice, rent-seeking, law and economics, and economic progress is representative of the breadth of Tullock s career. As co-founder of Public Choice, Tullock has been a major contributor to our understanding of the logic of collective choice and the politics of collective action. Tullock s insights have helped establish the unambiguous message that political, social, and economic institutions affect individual behavior whether in economics or political markets. Tullock s hypotheses, proposed laws, and paradoxes have shaped the development of public choice, as well as charting new areas in law, economics, and sociobiology. In sorting through Tullock s personal papers, the editors learned and here present the many dimensions of the man and the breadth of his interests. From the papers, we can piece together much of Tullock s personal history. For example, there are myths surrounding Gordon Tullock that can be laid to rest: his birthplace, the lack of a baccalaureate degree, the one course that marks his formal training in economics, and his career prior to his academic emergence in the mid-1950s.
