WINDERMERE: WALKING AROUND THE LAKE

Carnegie Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Windermere: Walking Around the Lake, Duncan Turner, This is a unique book which for the first time offers walkers a guide to a superb 30-mile circuit of the whole of Lake Windermere, which can also be done in four or five easy stages. Keen (but not hardcore!) walker, Duncan Turner spends a great deal of time (he is retired) in Windermere, and looked long and hard for a book laying out a complete route around the lake. Having failed to find one in the local shops, he decided to research and write one himself, something which he has enjoyed doing immensely. From the outset, he decided that all the proceeds would go to New Holehird, the Leonard Cheshire home for adults with physical disabilities, situated on the shores of the lake. This is typical of Duncan, who works very hard to raise money for a range of charities (including Children of Chernobyl, which benefited from the sale of a previous book, and for whom he plays host to two children in his home every summer). Beautifully produced with colour photographs, this handy, pocket-sized book is sure to be a hit with the millions of visitors to the town and lake of Windermere.
