Reviews

It is just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Enron: The Rise and Fall, Loren Fox, "I'd say you were a carnival barker, except that wouldn't be fair to carnival barkers. A carnie will at least tell you up front that he's running a shell game. You, Mr. Lay, were running what purported to be the seventh largest corporation in America."-Senator Peter Fitzgerald (R-IL) to Enron CEO Kenneth Lay, Senate Commerce Science & Transportation's Subcommittee, Hearing on Enron, 2/12/02 The speed of Enron's rise and fall is truly astonishing and perhaps the single most important story of corporate failure in the twenty-first century. In Enron investigative journalist Loren Fox promises readers nothing short of the most compelling and insightful investigation into Enron's meteoric ascent-regarded by Wall Street and the media as the epitome of innovation-and its spectacular fall from grace. In a lively and authoritative manner, Fox discusses how the biggest corporate bankruptcy in American business history happened, why for so long no one (except for an enlightened few) saw it coming, and what its impact will be on financial markets, the U.S. economy, U.S. energy policy, and the public for years to come. With access to many company insiders, Fox's intriguing account of this corporate debacle also provides an overview of the corporate culture and business model that led to Enron's high-flying success and disastrous failure. The story of Enron is one that will reverberate in global financial and energy markets as well as in criminal and civil courts for years to come. Rife with all the elements of a classic thriller-scandal, dishonest accounting, personal greed, questionable campaign contributions, suicide-Enron captures the essence of a company that went too far too fast.
