The planet in the Hercules Globular Cluster was a cinder; the few descendants of the surviving Herculeans lived on Myraa s World, half a galaxy away, in what seemed to be a religious commune. But on an unnamed planet, deep within the Hercules Cluster, two survivors, father and son, gather their resources and plan to enforce a reign of terror over the Federation worlds. But the woman Myraa has a different visionone which excludes empires and warring armies. Subtly, she strives to shape events toward a different end. Rising to one of the most unusual climaxes in recent fantastic literature, this novel of chase and vengeance depicts a colorful, poetic future which is struggling to overcome its past. Filled with striking twists and vivid ideas, this is space opera at its most modern.
