Reckoning with Markets: The Role of Moral Reflection in Economics (Hardback)

By James Halteman, Professor of Economics and Business Edd S Noell

Oxford University Press Inc, United States, 2012. Hardback.

Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. Undergraduate economics students begin and end their study of economics with the simple claim that economics is value free. Only in a policy role will values and beliefs enter into economic work; there can be little meaningful dialogue by economists about such personal views and opinions. This view, now well over 200 years old, has been challenged by heterodox thinkers in economics, and philosophers and social scientists outside the discipline all along the way. However, much of the debate in modern times has been narrowly focused on philosophical methodological issues on one hand or theological/sectarian concerns on the other. None of this filters down to the typical undergraduate even in advanced courses of the history of economic thought. This book presents the notion that economic thinking cannot escape value judgments at any level and that this understanding has been the dominant view throughout most of history. It shows how, from ancient times, people who thought about economic matters integrated moral reflection into their thinking. Reflecting on the Enlightenment and the birth of economics as a science, Halteman and Noell...
