Filesize: 6.24 MB

Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Leonie Collins)

TEACHING FISHING FOR MANAGERS: .SOME LEADERSHIP CONVERSATION (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Businesses everywhere attempt to manage the place without understanding the LEADERSHIP DILEMMA (and the impact on their bottom line - \$\$\$). Companies are pretty much led by previously proven employees given management titles! The management myth that anyone with business/operational know-how can lead is costing organizations BIG TIME. This practice of assuming anyone can lead is embedded into our society and organizations everywhere. Our cover pic paints a pretty accurate story of what businesses do with managers. Leaders are thrown out on a tightrope with no support, no preparation, all on their own doing a balancing act of being the KNOW IT ALL while literally KNOWING LITTLE of real leadership.their real job! This is a LEADERSHIP book to HELP those who lead people - want to understand why you others are struggling? The dilemma laid out within is applicable to the workplace, all business/industry, church, school, parenting, teaching, coaching-virtually any role that requires leadership. Give a man a fish he eats today. Teach him to fish he eats for a lifetime. Read within how these words translate to LEADERSHIP TRANSFORMATION.
