Newmarket Press,U.S., United States, 2007. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. Published for the first time in the U.S. one of the two diaries on which the movie The Motorcycle Diaries is based the moving and at times hilarious account of Che Guevara and Alberto Granado s eight-month tour of South America in 1952.In 1952 Alberto Granado, a young doctor, and his friend Ernesto Guevara, a 23-year-old medical student from a distinguished Buenos Aires family, decided to explore their continent. They set off from Cordoba in Argentina on a Norton 500cc motorbike and traveled through Chile, Peru, Colombia, and Venezuela. The duo s adventures vary from the suspenseful (stowing away on a cargo ship, exploring Incan ruins) to the comedic (falling in love, drinking, fighting.) to the serious (volunteering as firemen and at a leper colony). They worked as day laborers along the way as soccer coaches, medical assistants, and furniture movers. The poverty and exploitation of the native population started the process that was to turn Ernesto the debonair, fun-loving student into Che, the revolutionary who had a profound impact on the history of several nations.Originally published in Spanish in Cuba in 1978, the first English translation was published by Random House UK in 2003. The movie, based on Granado s and Che s diaries, directed by Walter Salles (Central Station, Behind the Sun), was produced by Robert Redford and others. Shown at the Sundance Film Festival, it generated great reviews and a frenzied auction for distribution rights, which was won by Focus Features. Granado, now 82, was a consultant to Salles during the production. 10 b/w photos.
