Brand New Book ***** Print on Demand *****.Excerpt from A Summary of the Vital Statistics of the New England States for the Year 1892: Being a Concise Statement of the Marriages, Divorces, Births, and Deaths, in the Six New England States The object intended in publishing this summary, is to present in a condensed form, the Vital Statistics of the New England States as a whole. At any time previous to 1894 the publication of such a summary would have been impossible, in consequence of the fact that no compilation of the Vital Statistics of Maine was made until 1894, when the First Registration Report of that state for the year 1892 was issued. At a meeting of the Secretaries of the Boards of Health of the six New England States, held in Montreal, in September, 1894, during the session of the American Public Health Association, it was decided to publish a summary of the Vital Statistics of these states. The objects to be secured by such a publication may be stated briefly as follows: - 1. The securing of better and more uniform...
