The divine right of kings was extended to landholders who, however, lived among the actual tillers of the soil and many of them shared in their happiness and misery. In spite of the changed conditions of the country and the numerous attacks on its culture by alien civilisations, the system has not died out, though the spirit of the age now is no doubt working a transformation. The Zemindar held his land on payment of a certain revenue to the state, and he was free to assess his ryots accordingly, employing his agents or gomastas for the purpose. These agents, as might be expected, supplemented their slender pay by whatever they could extort from the tenants, and it cannot but be admitted that there was ample scope for getting rich by levying extra charges, customary or otherwise. Such being the relation between the different parties, much importance attaches to the amount of the revenue, the fixity of tenure, the way in which the rent is to be realised from the ryots. How much is to be paid to the state? How long can the tiller of the soil occupy the plot of land which he tills? How is the ryot to pay, and how much? These are primary questions,...
